Keeping in touch

We'll send you emails to help you with your fundraising. We'll also let your selected charities know you're fundraising for them. They may contact you about your fundraising or the event you're taking part in.

RSABI about their news, appeals and promotions

If you change your mind just let the charity know and they should stop sending you emails.

Read about how we use your information in our [Privacy Policy](#).

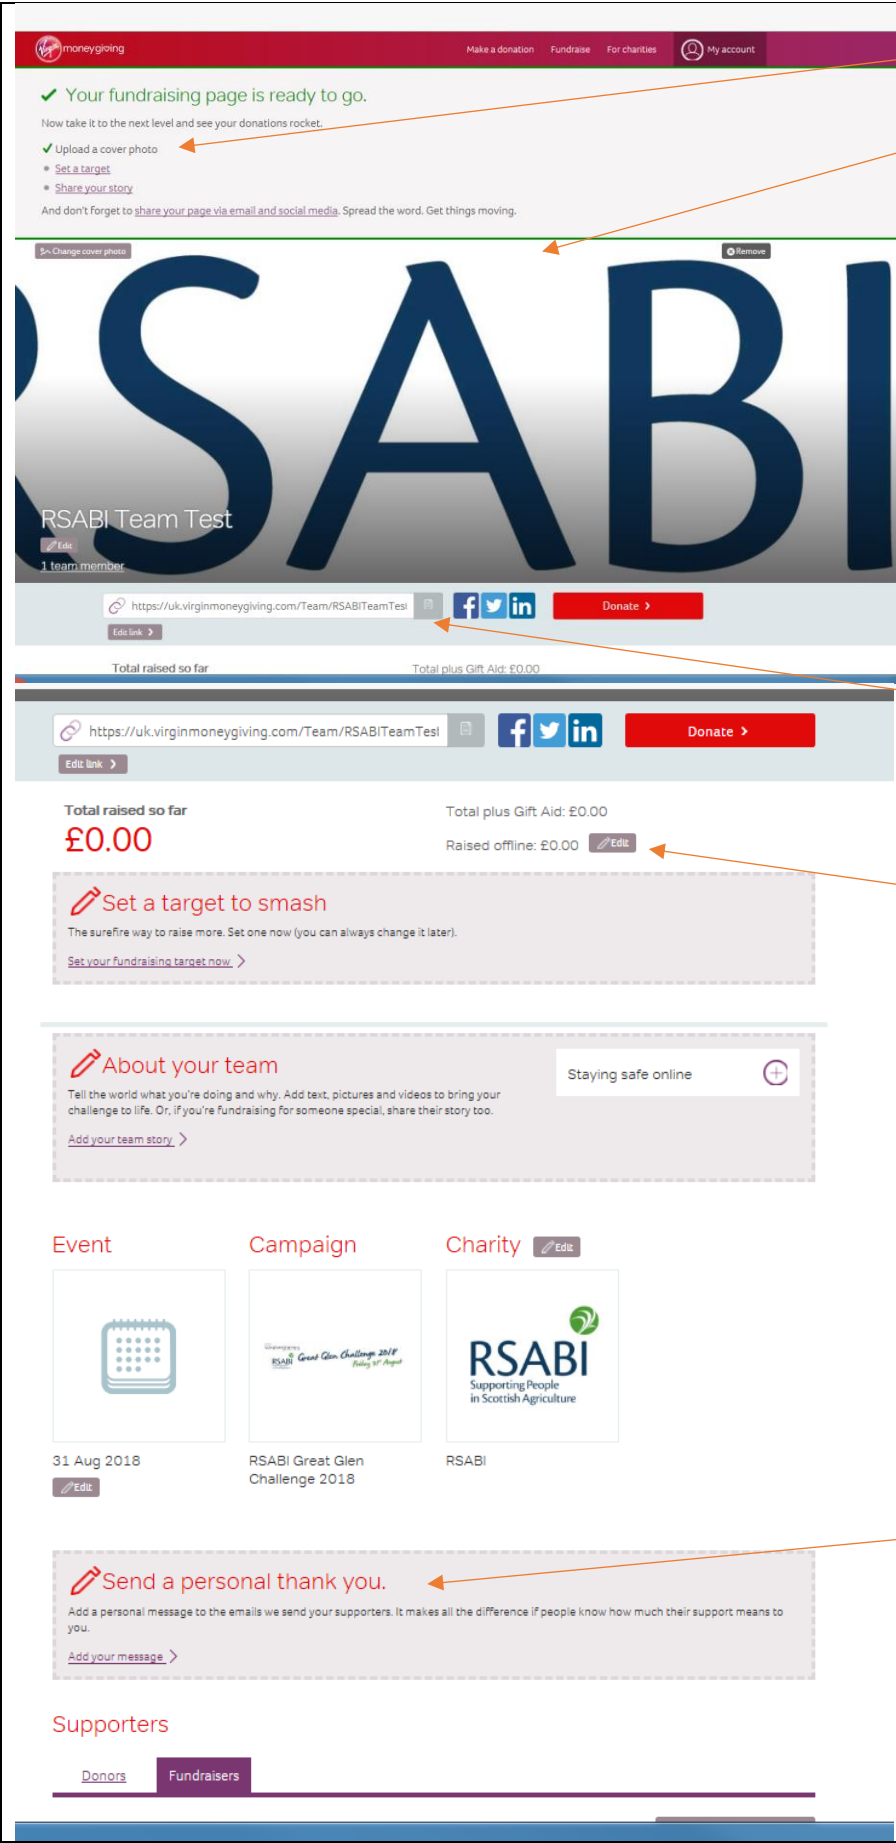

Create my page >

No need to search as RSABI should already be shown here.

Click "No" to this question: "Has your charity contributed to the cost of your fundraising".

Let us know if you would like us to keep in touch.

Click on "Create my page".

Upload a Cover photo (your team logo - you may need to centre this),

Set a target amount, and let others know about yourself by "Sharing your Story".

This is a direct web link to donate to your specific team.

Please note that "Offline fundraising" refers to any money you have raised outwith the virginmoney page (eg. collection buckets, or cash received per sponsorship forms). This is an amount that you would be responsible for collecting and you would enter the value here yourself.

Add a thank you message

At this point, RSABI will be alerted that you have created your page.

However, it would be appreciated if you could send a confirmation email to RSABI.

Your supporters can now make donations from the RSABI main campaign page which is at <http://www.virginmoneygiving.com/fund/RSABIGGC19>- if they scroll to the bottom of the page your team logo will be displayed and they can select this; or they can directly access your page using the web address that was mentioned above.

Good Luck!

Additional Step on completion of the above

So far you have uploaded a "Cover Photo". However, we now need to use the same image again to create a "Profile Picture". This is NOT an available option on initial setup – it is, however, available as an option once the initial sign up is complete. To do so:

Option 1

- Log in to your Fundraising Page on [virginmoneygiving](http://virginmoneygiving.com)
- Go to "Account settings"
- Click on "Change Profile Picture" and upload your logo

Option 2

- Send the logo image via email to theteam@virginmoneygiving.com
- Include a message to say that you would like the image uploaded to your team page as your "Profile Picture".
